

A Venn diagram consisting of two nested ellipses. The outer ellipse is labeled 'Logistic Regression' in the center. Inside it is a smaller ellipse. Within this inner ellipse, the text 'IRT' is on the left and 'AFM' and 'PFA' are on the right. Below the inner ellipse, but still within the outer ellipse, are the labels 'MIRT' and 'SPARFA'. At the bottom right, outside the outer ellipse, is the label 'KTM'.
